TLC PUBLISHES LIST OF ALL MEDALLIONS SELECTED DURING ALL ACCESSIBILITY DRAWINGS

The New York City Taxi and Limousine Commission (TLC) wishes to inform its licensees that it has published the list of independent unrestricted medallions that were selected during all accessibility drawings held between June 2015 and January 2016.

The selected medallions, each of which has a scheduled vehicle retirement date in 2010 - 2022, will be required to place an accessible vehicle* into service when their current vehicle is retired (first retirement cycle). The medallions not selected in the drawing are not required to place an accessible vehicle into service when their current vehicle is retired. However, each medallion's accessibility requirement will alternate during each following retirement cycle.

For previously published drawing results for retirement years 2016 (IN#15-23), 2017 (IN#15-52), 2018 (IN#15-53), 2019 (IN#15-56), 2020 (#15-60), 2021 (#15-61), and 2022 (#15-62) please consult the TLC website. All owners whose medallions were selected in a drawing either have or will receive notification letters from the TLC in addition to this published list. Please see below for the complete list of selected medallions.

*Pursuant to TLC rule 67-05.1B(b)(2), which took effect September 1, 2015, you must hack-up an Accessible Nissan NV200 (also known as the Accessible Taxi of Tomorrow) or apply for and be granted a waiver to hack-up with any other TLC-approved accessible vehicle.
